2016 DPCA NATIONAL SHOW REPORT

It's hard to believe that the 2016 National has come and gone. The Pheasant Run Resort was a wonderful venue to host our National; any and everything we needed was there and within a short drive. Carol Moore found a great off site indoor agility site for the safety of our dogs; our international members and members flying with dogs flew into a major hub airport with only a forty minute ride to the hotel. It was such a success that our 2016 board voted to hold our 2018 National at the Pheasant Run resort. Thank you to Elaine Hopper, John Schoeneman and Marc Weisberg for finding this location.

You also told us the Pheasant Run is a great location with your entries. There were 2008 entries for the combined regional and national specialties across all events: conformation, obedience, rally and agility!! The best in the last 5 years we had data for.

Any task is much easier when the entire team works together towards a common goal. Once the planning was complete, the National practically ran itself. But that only happened because we have the best volunteers ever! Thank you Sue Korp, Obedience Chair, Carol Moore, Agility Chair, Nancy Johnson, Vendor Chair, Mary Ann Hollis, Apparel Chair, Jan Stephensen, Trophy Chair, Barbara Bender, Announcer, Lisa Buroff, Diane Wydick, Robin Kelly, Ester Urso, Stewards, Lisa Burroff, Cindi Huckfeldt and Carmen Pitts, Breeders and Exhibitors Education, Susan Hurrell, Catalog Advertising, Pam DeHetre, CHIC/DNA, Ann Koch and Libby Hargrove, Registration and Catalog Sales, Estelle and Nichole Baron Decorations/Party Planners, Jan Cohen, CGC, Bob Baron, RV Parking and Grounds, Beverly Purswell DVM, Health Night, Skip and Hiroko Lee, International Meeting, Victoria Hall, Barn Hunt, Lynn Malik and all her helpers, Public Education, Eve Auch, WAE, Faye Strauss, Judges Education, Joni Kahn, Carol Moore and Cindy Bohnert, Top 20, Mimi Brown, Fundraiser, Linda Zaeske, Convention Treasurer, Michelle Kramer, Web Master, and last but not least, all the DPCA members who volunteer to work all the areas that need man power. You guys rock, we couldn't do it without you!

There were a couple of changes to the usual convention schedule: we added a Sunday evening Roaring 20's themed costume party complete with a DJ for dancing and a photo booth to capture the moment. Everyone had a great time and for those of you who were not there, you may have caught Susan Claggett's live streaming on Facebook.

The other change was moving the annual meeting to an early morning breakfast meeting. The meeting was well attended. The change was made to allow agility competitors to attend the meeting. It also gave members a chance for some local site seeing in the afternoon.

Along with our conformation, agility, obedience and rally events, many committees held meetings and seminars: a three day cardiac clinic, a barn hunt seminar and two trials, two WAE's, judges education and mentoring, chapter club meeting, ROM seminar and meeting, CHIC blood draw, international meeting and reception. Our public education committee took advantage of the local scarecrow festival to host a Meet the Breed booth. We heard the festival goers loved the chance to pet and get to know a few of our charming Dobermans. PEC also arranged for the DPCA to donate 4 sets of oxygen masks to the St. Charles, IL fire department. Many thanks to our President who made sure the PEC members got to and from the festival each day and made the presentation to the fire department. Another of the fun activities planned for the week was a Night Walk. This is an evening version of a temperament evaluation. Doug Matson and his team did a great job, despite the fact that dog judging continued on through 9:00 pm that evening and many of those who had planned to help or participate were "stuck" in the conformation ring, including Doug himself! Several of you commented on the National Feedback forms on how much you enjoyed the Night Walk!

The Friday Night Fundraiser had record attendance with 330 banquet tickets being sold. Steve Schorr did a fabulous job as our emcee. Every year the National Show committee nominates a volunteer to receive The Good Guy Award at the banquet. The 2016 award went to Bob and Estelle Baron for their hard work; Estelle handled the decorations and the Welcome Party and Bob oversaw the RV Parking and Grounds. The food was great for banquet food, moist chicken is a rarity!

Thank you to all who attended the National, for it is you that makes each National a success! We hope you had a great time, saw old friends and made some new ones, too. We listened to your feedback throughout the week as well as providing feedback forms at the registration table. We have read all of those and are using your feedback in the planning for next year.

Planning is already underway for the 2017 National Specialty Show and Convention. The Sawmill Creek Resort in Huron, Ohio on the shores of Lake Erie is our destination. People started volunteering for next year's event at the National. If you are interested in volunteering, please give one of us a call.

Until then take care and enjoy your Dobermans! ▲

Judging Comments Received

DR. MARY-HELENE (MIMI) BROWN, MD

INTERSEX, JUNIOR SHOWMANSHIP, BEST PUPPY, BEST BBE, BEST VETERAN

Thank you all for the honor of judging at the 2016 DPCA National Specialty.

I was very impressed with the overall quality of the entry. BOB was GCh. Fidelis Ripcord DS. He was spot on throughout the cuts, in superb hard bodied condition, and beautifully presented. He has a correct masculine head, is square and correctly angulated, and moved with the reach and drive required of our breed. BOS was CH. BellaCane Ariba Duchess Royale V Obermark, a gorgeous young bitch, who continually caught my eye throughout the afternoon. Select Dog, GCH .Rio's Luca Brasi Monster RN CA CGC WAC and Select Bitch, GCH. Raklyns Field of Dreams Alisiton are outstanding breed specimens. My Awards of Merit Winners were in no particular order, as the quality was so deep, it would be impossible to rate them from one to ten. When I reviewed the catalog, I was delighted to see an age range from 15 months to 9 years in my AOM Winners. This shows the deep quality and ongoing achievements of our breeders.

The Junior Showmanship Classes were amazing. Our breed is in good hands with them. Best Junior was Alexis Truesdail.

I noticed that many Doberman has tails that were 4 joints or longer, which definitely detracts from the ideal outline and that some of the entries were obviously rectangular and short on leg. Mouths and dentition were good and movement correct overall. Thanks again to all of you for the honor and thrill of judging the DPCA National Specialty. ▲

NANCY D. SIMMONS

DOG CLASSES

Judging the dog classes at the DPCA National Specialty in St. Charles, IL, was truly an honor. I was impressed with the overall quality of the entries. There were many exciting young puppies that showed a lot of potential.

In the class dogs, most of the dogs had the required square proportions. There were a few dogs with shorter rib cages and longer loins than is desired. Most of the topline were good. We still need to work toward getting more dogs with the "heavy" bone that the standard describes. In general, I thought the quality was very good.

The Winners Dog was so balanced and fit together smoothly. He was a complete package with all the parts fitting together. He could certainly do the job that the breed was developed to do. He has beautiful angles and could move. He is still young, but I felt that he was the best representative of the desired breed type on that day.

In the Veteran's classes, it was nice to see so many of them staying in good physical condition. Those classes were very competitive.

The huge Stud Dog class was impressive. There were several outstanding stud dogs, but the class is judged on the get. Several of the sons were among the contenders in the Winner's Dog class. It was nice to see the stud dogs producing such good quality.

The Doberman Pinscher is a beautiful breed with a fine balance of elegance, substance, power, nobility, a compact and muscular build, and most importantly the watchful, loyal, and fearless temperament. It was very exciting for me to judge the dog classes at the 2016 DPCA National. Thank you for the honor. ▲
